GPEC General Police Equipment Exhibition & Conference®

14th International Exhibition & Conferences for Internal Security, Law Enforcement and Homeland Defence

20 – 22 May 2026, Leipzig, Germany

Patron GPEC® 2026: German Federal Minister of the Interior Alexander Dobrindt

Innovation and conference center: equipment – education – operation

The unique „authority-one-stop-shop“ for all management levels and subject areas.

GPEC® is THE closed government event consisting of trade fairs and conferences for Police and all security and intelligence authorities – in 2024 with 471 exhibitors from 32 countries and 7,684 specialized visitors from 58 countries on 6 continents. The trade fair presents the management and operational resources of all areas.

Since 2000, a cutting-edge supporting programme with specialist conferences, seminars, training sessions, and official working group meetings has made GPEC® a unique field and user platform for supporting training and education, information exchange, civil-military cooperation, and interministerial, national, and international collaboration.
